Full job description

Exciting opportunity for an experienced and innovative Commercial Program Manager to manage the coordination of activities relating to the development and implementation of footprint strategies for my client, a global Caterpillar rail company!

My client is innovative and world class – And you are an experienced Commercial Leader with proven Negotiation skills, Project Management experience who possesses a track record of driving business performance, now looking for their next exciting challenge!

Based either in Newcastle, NSW or Redbank, QLD, this permanent and full-time position of **Australian Footprint Commercial Program Manager** will see you as an integral part of the business, acting as a conduit between various Committees, external and internal Stake holders as well as experience in leasing/land opportunities, environmental challenges and dealing directly with Government regarding procedures and agreements.

This is a very people centric and solution-based role, and the ideal candidate must have the depth, commercial acumen, and charisma to deal with a multitude of moving parts to ensure and realise the goals and values of the company as a whole.

To be considered and successful in the role, you must already have held a commercial role at Senior level within one of the following industries: Original Equipment Manufacturer (OEM) or Rail, Aviation, Logistics, Mining or Supply Chain industries, all of which would align perfectly to this role.

Experience, Qualifications, and Training needed:

- Qualification in Business, Law, Engineering or Project Management.
- Masters, Graduate Certification or Cert IV in project management, for example PMP, AIPM, PRINCE
- Continuous improvement/quality (six sigma, TQM, lean).
- Unrestricted and full work rights in Australia (No sponsorship is available with this role)
- 10+ years of civil, construction or business transformation related project management/delivery experience
- 5 years original equipment manufacturer (OEM) or rail, aviation, logistics, mining or supply chain industry experience.
- Unrestricted and full work rights in Australia (**No sponsorship is available with this role**).

In return for your efforts, you would be paid an attractive salary, and be part of a fantastic organization that value their employees and reward them for their hard work and achievements.

If you like sound of the above and would like to know more about this once in a lifetime opportunity, please contact **Louise Palmer** on **louise.palmer@2xmrecruit.com.au** or via the reply function for a confidential discussion today!
