### Full job description

Green Light Worldwide are currently looking for a **Trainee Recruitment Consultant** to support recruitment activities within our growing consulting business. The ideal person will experience working as a junior recruiter or resource delivery coordinator.

This role will involve supporting Senior Resource Managers in planning and coordination of talent management initiatives. As a better understanding of the Green Light business develops, this position will be given increasing levels of responsibility on which to focus in preparation for a more senior involvement within Green Light.

Green Light prides itself on having a fun, friendly, flexible and empowering culture where opinions are valued.

#### Responsibilities:

- Assist in talent acquisition initiatives.
